TAXABLE VALUES UP HALF MILLION

Assessments This Year, on Which
Taxes Will be Paid Next Year,
Increase \$656,785

MOST ON PERSONAL PROPERTY

Real Estate, However, Including
Lands, Lots and Improvements,
Pays Almost Four-Fifths

Total net value of taxables in
Rush county for this year, on which
taxes will be paid next year, is \$54,-
259,405, as compared with \$53,602,-
620 last year, an increase of \$656,-
785.

This fact is shown in the abstract
of taxables which has just been com-
pleted by Phil Wilk, county auditor,
and his clerk. Real estate and im-
provements assessed for taxation
remained practically stationary, the
total net value for taxation purposes
this year amounting to \$40,043,490.
Last year real estate and improve-
ments were valued at \$40,040,550,
which makes a difference of \$2,940,
representing the gain this year.

The bulk of the increase was on
personal and corporation property.
These two items were given a net
value of \$10,637,220 this year as
compared with \$9,997,020 last year.
This discloses a gain in tax values
of \$640,200.

Assessments of railroads and elec-
tric lines were raised from \$3,320,-
435 to \$3,322,000 and the taxables
value of telegraph and telephone
property in the county was increased
from \$236,745 to \$248,860.

The abstract reveals that real es-
tate, including farm lands and town
lots, together with the improvements
on each, bears almost four-fifths of
the taxburden.

Lands this year are valued at \$30,-
100,079 and improvements are as-
sessed at \$5,455,610, making the to-
tal value \$35,555,680. Last year
lands were assessed at \$30,120,220
and improvements at \$5,378,600, the
combined value being \$35,498,820.

This year lots are assessed at \$1,-
514,020 and improvements at \$3,814,-
305, the total valuation for this
class of real estate being \$5,328,-
325. Last year lots were valued at
\$1,509,035 and improvements at \$3,-
791,905, giving them a combined tax-
able value of \$5,300,940.

Total tax values deducted from
assessments this year, due to mort-
gage exemptions, were \$841,415 and
last year mortgage exemptions re-
sulted in deductions of \$759,210.

Polls in the county this year num-
bered 2997 and last year they were
3101, a loss of 104.

A comparison of net taxables in
each taxing unit of the county for
this year and last is as follows, and
it should be born in mind that taxes
will be paid next year on this year's
valuations and were paid this year

NO ARRESTS MADE AFTER ACCIDENT

Mr. and Mrs. James Ryder of New
York Sell Damaged Car For \$100
And Depart On Train

LIQUOR WAS ALL SPILLED

No arrest were made Thursday
afternoon by Sheriff Yost of New-
castle, who investigated the accident
on the National road, in Dunrieth,
when a Buick automobile in which
three persons were riding struck the
Rushville train on the Nickel
Plate railroad.

It was reported by the train crew
that the man and woman, who gave
their names as Mr. and Mrs. James
Ryder of New York, had been drink-
ing liquor, and that a quantity was
found in the car.

The machine was so badly wrecked
that the liquor was all spilled, ac-
cording to a report from Dunrieth,
and no evidence could be secured.
Mrs. Ryder and her two-year-old
daughter were badly cut and bruised,
but their injuries were not serious.

Sheriff Yost reported upon his re-
turn to Newcastle, that the parties
sold their machine for junk, and re-
ceived \$10 for it, and they com-
pleted their journey on the train.

MERCURY HITS A NEW

Drop To Fourteen Degrees During
Night—Warmer Saturday

The mercury last night set a new
low level for this winter, when the
lowest reached during the night was
14 degrees above zero, according to
Elwood Kirkwood, in charge of the
government thermometer at Maury.

The previous low record for this
winter was 18 degrees a cold spell
few weeks ago during a cold spell
that lasted a few days.

Weather indications for tonight are
that it will continue cold, but prob-
ably not as low as last night and on
Saturday rising temperature is pre-
dicted. The lowest recorded in In-
dianapolis during the night was 22
degrees, and at Cincinnati 18.

With the coming of cold weather,
that heralded the approach of Christ-
mas, the Salvation Army kettle made
its first appearance on the streets
Thursday afternoon.

Lieut. Schoolman of the Rushville
corps of the Army braved the cold
wind and low temperature through-
out the afternoon and scores of peo-
ple were reminded by the sign on the
kettle, and the plaintive peal of the
bell the Salvation Army lassie rang
almost continuously, that the season
of good cheer is upon us and that it
is time to divide with unfortunates.

The kettle will be on the job daily
from now until Christmas and those
who do not wish to take the time to
send their contributions to the Daily
Republican may drop them in the kettle.

Santa Claus was all smiles today
because of the substantial contribu-
tions that are coming in, the one
from the Rushville Furniture com-
pany being the largest made thus far,
with the exception of the check
for \$100.00 received from the Elks
lodge Thursday.

Preparations for the spreading of
Christmas cheer are going forward
rapidly and everything will be in
readiness when the big day comes.

GRANTS REMISSION OF FINE

McCray Approves Recommendations
Regarding Elmer Hendricks

Governor McCray approved the re-
commendation of the State Board
of Pardons in granting Elmer Hen-
dricks of this city a remission on
his fine of \$120, which means short-
ening his sentence at the state farm
120 days, bringing about his liberty
in a few days, after his confinement
at the state farm for more than a year.

Hendricks was convicted here in
November, 1923 on a liquor law
charge, and was fined \$300 and given
a 180-day sentence.

The pardons board denied clem-
ency to three other prisoners, Wayne
Chandler, Mier Dunn and Raymond
Foreman, all three of whom were
sentenced from 2 to 14 years on a
conspiracy charge, in connection
with the issuing of a fraudulent
check.

DEFENSE OFFERS FIRST EVIDENCE

Plaintiff in Case of W. O. And Kath-
erine Morgan Against City Rests
in Circuit Court

\$4,350 JUDGMENT IS SOUGHT

Defense Attempts to Show Failure
to Cap Gas Well Did Not Damage
Plaintiff's Well

The damage suit of William O. and
Katherine Morgan against the City
of Rushville, was still under way to-
day in the circuit court and it was
not expected to be completed today,
and will not reach the jury until prob-
ably Saturday morning.

The suit is a demand for \$4,350
judgment against the city, for the
alleged negligence in failing to cap
an abandoned gas well, which the
plaintiff maintains caused his gas
well to become useless, on account of
water reaching the gas vein and
drowning out the gas supply.

Several witnesses were being used
by each side in the case and the
plaintiff finished with their portion
of the evidence shortly before noon.
The defense this afternoon was at-
tempting to show to the jury that the
failure to cap the well would not
cause the well owned by the plaintiff
to become useless.

Expert witnesses for each side
were introduced to credit and dis-
credit the various theories.

A similar suit is pending in which
Patrick Carroll is plaintiff, and in
which he alleges that his gas well
was ruined by the same act of the
city's alleged negligence.

In the new cases filed today in the
circuit court is an appeal case from
Justice Stech's court in which Syl-
vester Kirkpatrick is plaintiff and Is-
aac Campbell, defendant, the demand
for damages being \$30, and which
was heard in the lower court recent-
ly, and decided in favor of the defend-
ant.

Several minor court cases set for
Saturday, may be delayed if the
damage suit today overlaps until
tomorrow.

FIVE OF EIGHTEEN PRISONERS ESCAPE

Were Being Transferred From
Northern Texas Points to Federal
Penitentiary At Leavenworth

WERE LEFT WITH ONE GUARD

(By United Press)
Kansas City, Mo., Dec. 14—Five
out of eighteen federal prisoners be-
ing transferred to Leavenworth pen-
itentiary from northern Texas points,
escaped at Caldwell, Kan., last night,
it was learned on arrival of train
No. 32, on the Rock Island here to-
day.

Among the eighteen were several
men convicted in the oil conspiracy
cases in Fort Worth, Texas, but none
of the men involved in the oil deals
obtained their freedom.

The train was stopped at Caldwell
by a burned bridge.
Federal marshals accompanying
the party of prisoners believed the
bridge had been burned by accomp-
lices of the men who escaped and
that the dash for liberty had been
planned.

When the train stopped, three of
the four marshals guarding the men
in the convict car went out for
lunch, leaving one man to guard
the convicts.

When the three guards left the
car, the five prisoners dived out a
window of the train.

High School Principal Loses Race
For I. H. S. A. A. Board Place

Eugene B. Butler, principal of the
Rushville high school lost out in his
race for the election as a member of
board of control from this district
for the Indiana High School Athletic
Association. The successful candi-
date was L. O. Bayard county school
superintendent of Delaware county.

Besides this district, two other
members were elected from other dis-
tricts, and the remaining two mem-
bers are holdovers. The five members
of the board of control are similar
to a board of directors, and meet in
session with A. L. Trester, perma-
nent secretary, in deciding questions
relating to the high school athletics.
The total votes of the district were
not obtained.

Value of Disease Prevention Work to
Eradicate Tuberculosis is Empha-
sized

Over \$100 was added to the
Christmas Seals and Health Bond
campaign fund in today's report, al-
most half of the sum coming from
two fraternal orders, the Elks lodge
and the blue lodge of Masons. Each
bought a \$25.00 Health Bond.

There were a number of \$5.00
Health Bonds and one \$10.00 Bond
included in today's report, which in-
dicates that supporters of the move-
ment are coming to realize that the
season is growing short and that
they will have to come to the rescue
to bring the receipts this year up to
the standard set in previous years
here.

When it is remembered that one
person in the United States dies
every five minutes because of tuber-
culosis, the value of the work to eradi-
cate this disease is appreciated.
The fact that it is a preventable dis-
ease makes the responsibility all the
greater, it is pointed out by the sup-
porters of the movement.

Funds realized from the sale of
Seals and Bonds are not used alone
in curing tuberculosis patients, but
in general disease-prevention and
health-building work, on the theory
that when people are physically fit,
they will not fall victim to this dis-
ease.

SEVERAL CASES HAVE DEVELOPED

More Children Reported Afflicted
With Measles, Making Care More
Necessary

NATURE OF THE EPIDEMIC

Will Not Interfere With Christmas
Shopping, Board Points Out—
State Quarantine Law

Several new cases of measles de-
veloped in Rushville over night, ac-
cording to Dr. J. M. Lee, city health
officer, who with other members of
the city board of health, are making
a rigid effort to prevent a serious ep-
idemic.

The board of health is being sup-
ported in their work by all persons
who are anxious to protect the lives
of children, in preventing the spread
of the disease to those who have
never had it, and on the other hand
there are some people who are criti-
cizing the board, pointing out that an
epidemic at this time would injure
business.

A measles epidemic is unlike most
epidemics, it was pointed out today,
in that it is more of a disease for
children, and inasmuch as Christ-
mas shopping is not done by child-
ren, but by parents, there is no need
of alarm that the Yuletide shopping
will be hampered.

Close observance of quarantine
rules is the only way that the disease
can be curbed, according to the
health officers, and it is a foolish
idea for persons to take a chance
with their children on the old theory
that "every child must have the
measles at some time or other." A
child may have it in a mild form,
while the next child may have it
seriously, and fatal complications
arise, Dr. Lee has pointed out.

Dr. Lee, in calling attention to the
quarantine law regarding measles in
Indiana, today submitted the follow-
ing which should be followed:

"Measles:—For the patient, isola-
tion and quarantine for not less than
14 days and until peeling or des-
quamation has ceased. Patient shall
not be permitted to attend school
for 5 days after quarantine has been
removed. For other members of the
family, quarantine is not required,
but children in the family must not
attend school or mingle with other
children unless satisfactory proof of
their having had the disease is fur-
nished the proper authorities."

Continuing in his comment, Dr.
Lee, said, "It is those who have not
had the disease in the family who are
in danger and a source of danger to
others as the contagion is in the
nose and throat secretions and very
dangerous the 2 or 3 days preced-
ing the appearance of the rash or
eruption."

"In this contagious period there
is usually a tired feeling, very lit-
tle appetite, some headache and
some fever in young children, usual-
ly vomiting, high fever and possibly
spasms. Babies under one year of
age if breast-fed, generally do not
take the disease because they seem
to derive protection from the moth-
er's milk, due to her having had the
disease and is immune; this probably
does not hold good in mothers who
have never had the disease."

"One must come in contact with
the person that has the disease—in
a room or talking on the street in
order to contract it," Dr. Lee assert-
ed.

HOG BREEDERS IN SESSION

Discuss Plans For Better Balanced
Hog Production in County

Between fifty and seventy-five hog
breeders of Rush county gathered
for the county hog meeting at the
court-house assembly room Thurs-
day afternoon to hear the talk on
the swine business by H. I. Engel-
hart of Kentucky, an experienced
hog man.

The purpose of the meeting was
to promote a more profitable, econ-
omical and better balanced hog pro-
duction in the county. No organiza-
tion was to be formed, but the breed-
ers discussed plans for the various
swine breeders organizations in the
county to co-operate in order to
carry out the purpose of the meeting.

Scout Notes

A union meeting for all scout troops in the city is being planned for next week. The meeting will carry the Christmas spirit with it and several special numbers are being arranged. Scout Notes for Tuesday will furnish further details of this meeting. All weekly dues will be collected at this meeting.

A Scout Headquarters for Rushville Boy Scouts has been obtained and as soon as a schedule can be mapped out will be opened to the boys for the public inspection. The room is on Main Street, which is a very desirable location. It is in excellent shape and has been obtained at a very reasonable rent, which of course was a very important factor in securing a room.

The place has a large recreation room for games and other forms of recreation, a quiet room to be used for Scout meetings of all sorts and for reading and an office for the Scout Leaders.

Several scouts are about to allow themselves to become delinquent because of carelessness in paying their dues. Now that we have a meeting place the dues are very important if we expect to keep it and fit it up in a way to interest boys. The dues were set at five cents a week so as not to work a hardship on any boy who wishes to belong to and receive the benefits of the organization. A boy missing five meetings in succession or failing to pay his dues for five successive meetings will be dropped from the records and National Headquarters will be notified of the fact.

No scout meetings of any sort will be held during the Christmas Holiday vacation. The first meeting will be on Wednesday night January 2nd for Troop Number 1, and from then on meetings will follow in regular order.

Now that we have our meeting place lets get ready for that initiation ceremony for that new class of boys who have joined the organization this year.

The following boys passed the Examination for Tenderfoot Scout Ranking with a grade of 100 percent at the Wednesday night meeting: Robert Stewart, Richard Haydon, Burke Dugle, Robert Pittman, Kenneth Davis, Ralph Dugle, Ervin Wolters, James Foley and Wilbur Easley. Several other boys passed parts of it but had to quit because of lack of time. They will be given a chance to finish next week.

THAT WHICH SATISFIES:

Epidemics

The antiquated idea that children have to have every contagious disease that was ever conceived by the mind of man has long since given away to the sensible view that if children contract diseases common to boys and girls, it is unfortunate and something that might have been avoided.

One Rushville mother is known to have sent her child to play with another child who had the whooping cough, last summer, so that her child could have the disease under favorable conditions and be rid of any danger of contracting it. The child "caught" it and suffered intensely. She had not entirely recovered from the ill effects of the ailment until the measles became prevalent among the children of the city and she contracted this disease. Now the child is very seriously sick.

The sooner parents learn that children's diseases are not essential to the proper rearing of a child, just that much sooner will children

have a better chance to grow to strong healthful manhood and womanhood.

Even now, there are men and women of mature years who have never had many of the so-called "children's diseases." They have kept physically fit and have never run unnecessary risks, but have attempted to avoid contagious diseases.

The majority of parents nowadays are not like the mother cited above. They realize the complications that may arise following some of the less dangerous diseases and attempt to keep their children away from contagion. For this reason, they will undoubtedly follow the recommendations of the city board of health and not permit their children, especially those who have not had the measles, to attend public gatherings or congregate in the stores where large numbers of people gather for Christmas shopping.

Certainly there is nothing alarming about the present measles epidemic, but to safeguard the health of everyone, the board of health is asking the people of the community to do certain things. Most important of all is to obey the quarantine laws. Violating them places a serious responsibility upon the shoulders of violators, because they might be the cause for the loss of lives. Reduced to its simplest terms, nothing else can be made of it. The person who willfully violates the quarantine laws and causes others to fall ill, and possibly die, is an enemy of society. Quarantines are imposed for the common good—to protect the public from unthinking people—and it is the duty of all good citizens to support the proper authorities in their efforts to enforce the law in this respect.

Overstepping Himself

Many republicans are of the opinion that State Chairman Walb is taking too much upon himself in attempting to cause Governor McCray to resign. As regrettable as his plight may be, he alone is responsible for the situation that has developed, and no one else can be justly blamed for what the governor has done. The question of his guilt is for the courts to decide according to the law and the evidence.

The state chairman surely goes beyond the bounds of his position in attempting to draw the Indiana congressional delegation into the controversy. It is purely a state matter, and in any event it is not one where they are required to pass official judgment. Their personal opinion is their own affair and whatever they think about Governor McCray does not affect their duties as congressmen in the least.

Robert Kennedy left today for High Point, North Carolina, and if Dame Rumor is not barking up the wrong tree, he will return with a bride from the sunny south. Mr. Kennedy accompanied Mr. and Mrs. Henry Newby, who have been here for some time visiting friends, and it is understood that the one Mr. Kennedy will claim for his bride is a daughter of the Newbys, Miss Emma, whom Mr. Kennedy has been showing every attention during her visit here. Miss Newby is a school teacher and a very talented lady, possessing a pleasing personality. Mr. Kennedy recently purchased the W. O. Headlee home in West Tenth street and has it furnished complete for his intended bride.

The regular semi-monthly meeting of the Ladies Musicales was held in the assembly room of the court house Monday afternoon. Miss Hazel Lytle was leader and a very interesting and entertaining program was rendered.

Miss Mabel Bonnell and Mr. Nathaniel Waring Barnes were quietly married today at high noon at the home of Mr. and Mrs. George Osborne in North Perkins street. Only a few of their immediate relatives were present. The bride and groom left this afternoon for Chicago for a short honeymoon, after which they will be at home in Greencastle.

Miss Margaret Carroll of West First street returned last night from a visit with Kokomo and Indianapolis friends.

Miss Mamie Kemp visited with friends in Indianapolis today and will see the "Honeymoon Trail" at English's tonight.

BLUE BIRDS AND THE NIGHTINGALES
Carthage expects a hot battle at Knightstown tonight, and it would sure make things look interesting in these parts if the Blue Birds would emerge victors over the K-town aggregation.

If the Royaltymen of Milroy upset the Sir Walters tonight at Raleigh, it would also put bristles in the rest of the county animals.

Moscow may have to play Manilla in the dark at Manilla, but judging from reports we hear, the Cows can play just as well without lights, as with 'em.

Another interesting game for somebody will be the Center-New Salem scrap at Salem tonight. Center is another one of the county teams that needs a place to play indoors, and the way the weather has been for the last two weeks, we imagine that they will need a lot of practice.

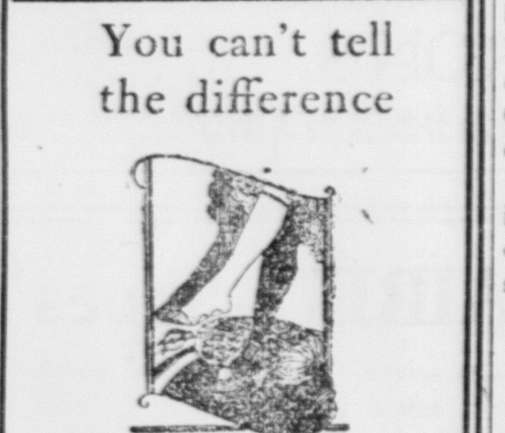

Greensburg plays over at Brookville tonight. Each team expects a victory, but didn't ever stop to think that is true in almost every game?

The Press Box of Kokomo laments the following: "Basketball has been played in Kokomo for twenty years. Only one local team in that time has gone to state." When was that—the first year?

BUT LOOK OUT!
The way the Wildcats are performing this year, we wouldn't be afraid to venture that you can look for 'em in March, or at least up at Lafayette at the regionals. Their showing with Muncie, Elwood and Frankfort looked good.

Our records show that Rushville has played basketball for 15 years, or if they played it before that time, the newspapers didn't recognize it as a human sport. We might add further that our record is along with Kokomo—just one peep on the big Coliseum floor.

It's up to the Lions to improve that record. What do you say gang.

WARNING TO KOKOMO
Kokomo adds further that this is their year also. Watch all of the little dark horses in your own county, Kokomo, as we have got poofed off several times ourself, after we had tickets all bought for the big show at Indianapolis.

Letter Comes to Us From
Woodland Park, Colo., Dec. 11, 1923
Hittin' 'em and Missin' 'em—
I am a very interested reader of your columns published in the Republican each day, for I realized the gladness and sadness in not Hittin' 'em and Missin' 'em.
I have almost forgotten how the ball should go thru—whether from above or underneath, but judging from some of the scores that have been made there, either way must be permissible.
A few things I would like to know—why has the lady from Shelbyville overlooked the three games played between Rushville and Shelbyville in 1917? If she can not find the records Paul Newhouse of the Rush County National bank can supply the desired information.
Who is the R. H. S. Dumbell? IS it possible for the Bucking Bronco's of Woodland Park to have a stall in the county stable?
Yours truly,
An Ancient Player

Sure, old timer, we can give you steam heated, heavily strawed and padded stall anytime you want one. All of the fans know how hard Ralph Martin played when he held down the center position on that Bronco team with Babe Newhouse. Drop in about tourney time Ralph, and look the Lions over. In the meantime, hold your thumbs up for the locals, and drop us a line again.

If a fellow writes clear from Colorado, it ought to make some of you close-at-home scribes ashamed. Send in your contrbs.

PODUNK HAS MOVED
It takes the Press Box of Kokomo to locate Podunk, and he sorta moves it away from Vincennes. He says this. All these southern teams are talking about playing Podunk and wondering where it is. We think Podunk is about four miles from Gilead, the school Peru played last week.

Rush County Team Falls to The Tune of 76 to 7 Before Franklin County Lads

ADDING MACHINE NEEDED

The Laurel high school quintet swamped Gings high Wednesday night at the Laurel gym by the overwhelming score of 76 to 7. It was a slow game and only the use of an adding machine could have made it more one sided.

The visitors were outclassed in every department of the game and it was evident from the start what the result would be.

Friday night Laurel will play Everton and a red hot game is in store. Laurel point-getters, Oglesby and Fetty are in fine form and from present dope expect to win.

Summary:
Laurel 76 Gings Station 7
Oglesby -----F----- Eckert
Sera -----F----- Custer
Fetty -----C----- Courtner
Best -----G----- Felts
Ward -----G----- Meyers
Substitutions—Raham for Ward; Kelley for Best. Fleetfoot for Sera. Gordin for Meyers. McCulloch for Felts.
Field goals—Oglesby, 14; Fetty 16; Sera 4; Best 2; Custer 3.
Foul Goals—Courtner, 1 out of 3; Fetty 2 out of 5.
Referee—Schultze.

R. H. S. GIRLS TO FACE BUSY BASKET SEASON

Lioness' Team To Meet Milroy in Next Game, Played Here On December 21

SCHEDULE IS ANNOUNCED

The Lioness' basketball team of the Rushville high school, which has played in three or four games this season, has arranged a schedule of games with other girl teams of the various high schools, and the first game in the near future will be played with the Milroy girls.

The local girls have displayed good talent this year, and have played on even terms with most of the teams. Several hard games are in store for them, and the complete schedule is as follows:

Dec. 21—Milroy here.
Jan. 5—New Salem here.
Jan. 11—At Arlington.
Jan. 25—At Webb (Rushville)
Feb. 2—Webb here.
Feb. 9—At Carthage
March 2—Carthage here.

TOURNEY UP AT FALMOUTH

Independent Teams Will Compete For District Honors in February

The district independent basketball tourney will be held February 15 and 16 at Falmouth, according to an announcement made today, and three counties will be assigned to this section, with teams from Rush, Henry and Fayette counties playing. All independent basketball teams from these counties who want to enter the tourney are asked to call or write Gifford Cook of Falmouth, under whose supervision the tourney will provide the necessary entry blanks.

The Fairview Athletic club will play the Westland Independent team Saturday night at Falmouth.

done. He stayed up a whole night, figuring this out:

If "Shootin' 'Em and Stoppin' 'Em" were "Watching the Fouls" "From the Press Box", we wonder if "Hoosier Courtship" would make "Casual Comment" to "Hot dog" should he be "Standing By", when "Hittin' 'Em and Missin' 'Em" made several "Short Passes" to "Hardwood Hammer", causing the "Referee" to signal that it was all right to be "Markin' UP a Few on the Scoreboard", "After the Ball" had gone "Through the Magic Net"?

Pass The Hash, Mosco!
Hash and Hash P. O. from down Moscow way, writes us concerning the Moscow record, which we published the other night in detail, together with the second team's record for the season. Hash concludes with "Get your old dope bucket out. Look it over. Watch for Friday nite results at Manilla gymnasium."

ARLINGTON WHIPS WESTLAND TROUP

Athletic Club Five Takes Visiting Independent Quintet Into Camp Thursday Night

RUSHVILLE ROMEOS WIN

Local Independent Team Victor in Curtain Raiser Over Arlington Juniors, 25 to 18

The Arlington A. C. basketball team did not have much difficulty in defeating the Westland Independents last night at Arlington by the score of 49 to 25, and in the curtain raiser the Rushville Romeos won from the Arlington Juniors, 25 to 18, in a game that was interesting from start to finish.

Arlington was leading Westland 22 to 11 at the end of the first half. Gardner and Headlee looked best for Arlington with 8 goals each. Johnnie Moore was best for Westland with 7 baskets. The regular line-up of Arlington, was Shook, Gardner, Headlee, Miller, Wicker and Haley.

In the curtain raiser the Rushville Romeos made it their third straight victory, defeating the Arlington Juniors 25 to 18. The Arlington team got a lead early, but the Rushville players soon overcame it, and were in the lead 12 to 9 at the end of the first half.

In the second half the Romeos completely outclassed them and ran the score up to 25 before they were able to get started, and with 5 minutes left to play Arlington called time and came back into the game like a new team and caged 4 long shots and a foul, but their rally fell short. The Romeos will play the Brightwood team of Indianapolis here Monday night.

The line-up and summary of the curtain raiser last night was as follows:

Romeos 25 Juniors 18
Culp -----F----- Cassidy
Dagler -----F----- Hyatt
Herkless -----C----- Nelson
Woods -----G----- Mitchell
Downey -----G----- Northam
Field goals, Culp 2, Herkless 3, Dagler 5, Cassidy, Mitchell 1, Hyatt 3, Nelson 4. Foul goals, Dagler, Culp Herkless 3, Nelson, Mitchell; substitutions, Smith for Woods, Woods for Downey, Wilson for Cassidy, Marshall for Northam.

MOVIES

Boy Star at Princess
Wesley Barry, the young screen star, is a natural born actor. This fact is admitted by all who have seen the freckled lad play.

Wes is a natural actor in the same sense that the outstanding figures of the stage, Jefferson, Coquelin, Salvini, Duse, Sarah Bernhardt and Sir Henry Irving were natural. That is, he has the true instinct for the inevitable gesture, the spontaneity that with some is the result of a carefully acquired technique, with others, a happy gift of genius.

This is to be seen in "Rags to Riches," his latest featuring vehicle sponsored by Warner Brothers, which is announced for a run of two days beginning today at the Princess theatre. Here he has many an opportunity for the display of his roguish, mischievous personality and is at his best in providing thrill upon thrill, from helping to round up a dangerous gang of crooks to dropping from a trestle into a deep river to escape a train. Wallace Worsley directed this Harry Rapf production, which was adapted from Charles A. Haylor's famous play of the same name.

Gladys Walton at Mystic
"Gossip" is the thing that can destroy any state of happiness, no matter how secure it may seem. Harmony will turn into discord at the breath of "Gossip" and contentment will develop the flavor of sour acid.

"Gossip" is the vice that is exploited in satirical fashion in the picture of that title which comes to the Mystic theatre today as a Universal attraction. Gladys Walton is the star of "Gossip" and it is said to present her with a more extreme characterizations to play than in any of her preceding successes. She has been associated with flapperizations as the heroine of delightful romances of youth most of the time. This role is that of a girl of the old South, charmingly unaware of the advance of the times and quite out of place in the jazzy whirl of modern social and business life.

FANNING WITH ARRELL

Ruth Most Valuable Player

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Dec., 14—Babe Ruth received every vote cast by the official jury of sport writers at the end of the 1923 season as the most valuable baseball player in the American League.

Ruth, no doubt, would have received just as many votes if he had been put up as a candidate for the honor of all baseball's greatest and most valuable player.

Official batting averages of the American League remove all doubt that might have been entertained as to the Babe's right to the title. He certainly was the most valuable batter in the league.

With an average of .393 he finished second, only ten points behind Harry Heilmann, the Detroit star, who played in eight games less than the Babe.

Ruth played in every game with the Yankees and he played baseball with everything he had in every game.

He finished in a tie for the home-run honors with 41, and it must be remembered that he seldom got a good ball to cut at.

He scored more runs than any player in the league and more than half of his 205 hits were for extra bases.

His work on the bases was fine and his fielding splendid.

Compared to what he did in 1922, Ruth's record last season made his efforts of the previous year look like a "bushers." It was not that he couldn't play baseball in 1922, but it was more that he didn't have his mind on baseball.

Last winter Ruth said he had

learned that it required more than a couple of hours on the ball field to make a player, and that he was going to make baseball his entire business.

He cut out all his foolishness, trained hard all last winter, went to Hot Springs ahead of the team and worked as hard in the training camp as any rookie. He was more than rewarded for his sacrifices.

The Babe is of such a carefree disposition that it was feared he might be tempted to get happy over his 1923 record and enjoy himself this winter, but so far he has shown no tendencies to cut loose again.

He is back on his farm in New England, and has gone into the poultry business on a large scale.

He shook off his overalls and went to Cambridge for the Yale—Harvard game, where his "side-line" as a journalist made it possible for him to get a choice wet seat in the press-box.

"I'm going to New York around Christmas time to do a little shopping with the wife, but we are going back to the farm to throw a big Christmas for the baby. I'll stay on the farm until the middle of February and then I'll pull out for Hot Springs," Ruth said.

The Babe looked well. His eyes were clear and, although he was a little heavy, he was obviously in shape.

Ruth still has hope that he will be able to add the batting championship of the league to his record and he is going out for it next year.

"Harry Heilmann is a great batter and a fine fellow, but I think that I can take that championship away from him next year," the Babe said.

Ruth and Heilmann are very close personal friends.

The Babe, incidentally, thinks that

Fairview H. S. Plays Tonight; Independents Saturday Night

The Fairview high school and the Alquina high school teams will battle for honors of Fayette county tonight on the Fairview floor, and a hotly contested game is anticipated as the two teams appear evenly matched on their former victories.

The Fairview A. C. basketball team will take on the Westland independents Saturday night at Fairview.

the Yankees ought to be good for at least three more pennants and as many world's championships. He said the thing that pleased him most in the last world's series was the refutation of the statements made before the series started that the Yankees didn't have a heart.

Ruth, according to intimate friends, is saving his money. When he was hitting the high spots he went through a quarter of a million dollars and it took some of his 1923 pay to get out of debt.

Figuring that he has at least four years to go and that with attention to his business his value should not decrease, the Babe has it doped out that he can put enough money away to make his future safe and to remove from him the threat of the bush leagues and bush league pay after his time has passed in fast company.

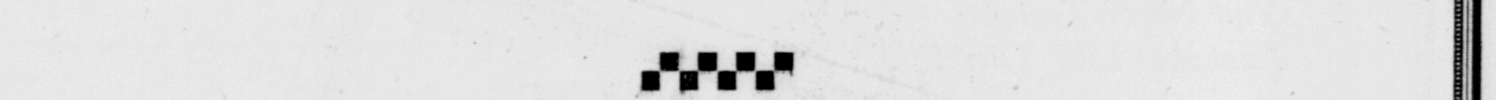

Ruth is a great admirer of Jack Dempsey, and he has taken a lesson from the heavyweight champion, that a big fellow in sport does not have to be a sucker with his money to be popular.

POSTPONED TILL SATURDAY

The basketball game between Manilla and Moscow, which was scheduled for tonight at Manilla, has been postponed until tomorrow night, and will be played at the floor in Blue Ridge, instead of Manilla. The heavy rains of this week caused water to fill up the basement at the Manilla school where they play basketball, and this morning there was a foot of water in the gym, which made the change necessary for tomorrow night.

Fostering Thrift

---and assisting men and women to spend their money wisely

Fostering, as we do, the growth and betterment of all savings and loan associations, both in the state and country, we desire that the public realize more fully the standing and responsibility of these associations. It is our purpose to do more than maintain interest-paying repositories for savings funds. We have an ideal of service in helping to work out practical plans of "getting ahead." We believe in stimulating the persistence to follow these plans through the steps of wise spending, systematic saving and intelligent investing—which lead to financial independence. Wherever a person may be—in large city or smaller town—he will find members of this league ever ready and willing to further his interests, gladly helping to solve his financial problems, whether they help him to financial independence and into a home of his own.

Building Association No. 10

Rushville, Indiana

Miss Donnan's Class in Literature will meet Saturday afternoon at 2:30 o'clock in the Assembly room of the court house.

The members of the Sons of Veterans Auxiliary are requested to take their jellies for the donation to the Lafayette home, to the home of Mrs. J. C. Gregg immediately, as the box will be packed Saturday.

The Epworth League of St. Paul's M. E. church will meet Sunday evening at 6:15 o'clock with Miss Laurette Abercrombie as the leader. Miss Mary Sleeth will give a talk on "Books For Young People," and all the members of this society are urged to be present, as well as the public is invited.

Mrs. George Aultman entertained the members of the Grand Club this afternoon at her home in West First street. The ladies enjoyed the hours around the card tables, playing bridge. At six o'clock this evening the hostess will serve her guests with a six o'clock dinner.

Mrs. Oliver Mack delightfully entertained the members of the Cross Country Club Thursday afternoon at her home northwest of the city. A most enjoyable social afternoon was held and dainty refreshments were served by the hostess at the close of the meeting.

The Royal Neighbors will meet Monday night, December 17, instead of December 24, at the Modern Woodman hall. Each member is asked to bring a few sandwiches and a present. Gifts will be exchanged and refreshments will be served. A good attendance is desired.

The postponed meeting of the Tri Kappa sorority was held Thursday evening at the home of Mrs. Walter E. Smith in North Harrison street. During the business meeting plans were made for the charity ball to be held Christmas night, December 25, in cooperation with the Elks, at the Elks dance hall. Three new pledges were also announced at this

meeting they being the Misses Florence Ball, Phyllis Casady, and Lavenna Compton. During the informal social period dainty refreshments were served.

The Tuesday Study Club at Raleigh delightfully entertained their husbands and friends Thursday evening at the gymnasium in Raleigh. The program consisted of a lecture by Dr. Jenkins, of Butler college, and a group of readings by Miss Lavenna Compton, of this city, who entertained the guests in her usual clever manner. The stage in the gymnasium was prettily decorated for the occasion with ferns and potted plants. At the close of the program a delicious luncheon was served to the guests.

Mr. and Mrs. G. P. Mauzy entertained the members of the F. R. S. club Thursday at their home in this city, with a pitch-in dinner. Those enjoying the day were Mr. and Mrs. P. A. Newhouse, Mr. and Mrs. Ben Norris, Mr. and Mrs. L. C. Norris, Mr. and Mrs. Jake Parish, Mr. and Mrs. Bent Norris, Mrs. Boone Power, Mrs. Fannie Gray and Mrs. Alma Cline. In the afternoon the guests were entertained with a delightful musical program by Miss Charlotte Norris and Miss Emily Mauzy. The home was gaily decorated for the occasion in the Christmas colors of red and green.

Mr. and Mrs. Wilbur Smith entertained Wednesday evening at their home in this city, with a prettily appointed dinner party, honoring the sixth birthday anniversary of their daughter Maxine. A large birthday cake adorned with candles and roses were the decorations for the table. Covers were laid for Mr. and Mrs. Harry Richey and daughter Wanda, Mrs. Mary Smith, Mrs. W. R. Vansickle, Miss Viola Arbuckle, all of Milroy, Mrs. David Morrison, of Spokane, Wash., Miss Mamie Schlottman of North Vernon, Mr. and Mrs. W. O. Feudner, Miss Sue Gregg, the Misses Gladys Hasty, Ruth and Louise Seward and Mr. and Mrs. Clarence Meyers and children Melba and Malcolm, all of this city.

The P. A. L. Club of Fairview held a most enjoyable all-day meeting Friday at the home of Mrs. Fred Martin near Falmouth. At the noon hour a bountiful pitch-in dinner was served and immediately following, the Christmas exchange took place, the gifts being concealed in a large pie. A miscellaneous program was given in the afternoon as follows: Mrs. Jesse Rees, Bible reading; Mrs. Howard Kehl and Miss Estella Shortridge, readings; reviews of standard magazines by Mrs. Beryl Hinchman, Mrs. Ralph Elwell, Mrs. Lowell Vickery and Mrs. Howard Kehl.

The home was prettily decorated for the occasion with Christmas colors. The next meeting will be held with Miss Meriam Fry, January 10.

The members of the Woman's Home Missionary Society of the St. Paul's M. E. church held their regular meeting Thursday afternoon at the home of Mrs. W. D. Root in North Perkins street. Mrs. C. H. Parsons, the president of the organization, presided over the meeting and the program opened with a song, followed by devotional period in charge of Mrs. Bodine. Mrs. E. B. Poundstone had charge of the lesson which was given in the form of a playlet by several of the ladies of the society, and in connection with this feature, Miss Dorothy Sparks gave an interesting talk on her community work. A business meeting was held, during which the matters pertaining to the society were discussed. Light refreshments were served by the hostess at the close of the meeting to the twenty-two guests present.

The Parent-Teacher's association of New Salem met Wednesday evening in the high school building. The program opened with music by the school followed by talks by Mrs. McNamara, teacher of the seventh and eighth grade, her subject being "School Attendance," Mrs. Bert Heaton and Grant Cooper, the principal of the school. County Supt. Farthing was scheduled to talk but was unable to be present on account of sickness. Miss Dorothy Sparks,

the county probation officer, was also unable to be present.

During the business session a new president was elected to fill the vacancy caused by Paul Daubenspeck, the former president, moving to this city. Walter Norris was chosen to succeed Mr. Daubenspeck. The next meeting will be held the second Tuesday night of January and at this time it will be a combined meeting with the farmers, in hopes of forming a cooperative system between these two organizations.

The Music Club held the December meeting Thursday afternoon at the home of Miss Jean McClanahan in North Morgan street. The program consisted of Polish and Scandinavian music and was given by Mrs. C. E. Walden and Miss Helen Jaehne, sopranos, and Miss McClanahan, pianist. The program was as follows:

Three number by Mrs. C. E. Walden accompanied by Miss Brenda Kinsinger, "Sylvain," by Christian Sinding; "I Heard the Gull," by Sinding; "The Mother Sings," by Sinding.

A group of piano numbers, the composer being Chopin, by Miss McClanahan, "Etude, F. Minor," "Etude, A. Flat," "Etude, G. Flat."

Miss Helen Jaehne, accompanied by Miss Dorothy Sparks at the piano, rendered three selections, "North Flee," "Crimson Petal," by Roger Quilter; "To Davies," by Quilter and "Vale," by the same composer.

Solo groups by Mrs. C. E. Walden, the composer being Grieg: "The First Primrose," "The Princess," "I Love Thee," "In The Boat," and "A Swan."

"A Love Song," by Langgaard; and "Scherzo, B. Minor," by Chopin, were piano number by Miss McClanahan.

"Good Morning Brother Sunshine," by Liza Lehman; "There Are Fairies At The Bottom of Our Garden," and "Life Is A Song," also by Lehman, Miss Jaehne.

The program closed with two selections by Miss McClanahan, "The Birdling," and "The Maiden's Wish," by Chopin.

During the informal social hour at the close of the delightful program, the hostess served her guests with delicious refreshments.

L. C. SHARP IMPROVES

Luther C. Sharp, city councilman and meat shop owner, who was shot last Saturday night, was reported today to be showing good signs of improvement, and he was able to take nourishment today. No attempt has been made to remove the bullet, and as long as no ill effects are seen from it, the physicians will not cut it out until he regains his strength.

Every Minute Counts in the fight against constipation!

Once let constipation get a grip on you, and your system is wide open to 90% of human ailments. Statistics show that to be the proportion of illness that has constipation for a starting point. Pills and cathartics are as dangerous to the system as constipation!

Your physician will recommend Kellogg's Bran, because it is nature's own relief from constipation. It is scientifically prepared to relieve suffering humanity from constipation and it will do what no other food can do! It will give every sufferer permanent relief if it is eaten regularly—at least two tablespoonfuls daily; as much with each meal in chronic cases!

Kellogg's Bran is wonderful in its natural, positive action. It sweeps and cleanses and purifies the bowel

tract; it scours out the dangerous toxic poisons; it puts you back on schedule time without irritation or discomfort!

Don't delay eating Kellogg's Bran each day in some form! Try it as a cereal sprinkled over your favorite hot or cold cereal or cook it with hot cereals. In the latter case, add two tablespoonfuls for each person and mix with the regular cereal and cook as usual.

Kellogg's Bran is simply delicious made into muffins, popovers, raisin bread, macaroons, pancakes, etc. Recipes are on every package! For health's sake get some Kellogg's Bran immediately. All grocers.

First-class hotels and clubs serve Kellogg's Bran in individual packages. Ask for it at your restaurant.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be a superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, J. N. Johnson, 609 W. Lake St., Chicago, Ill., is offering to send a lamp on 10 days FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

In 1919 in a certain canton in Switzerland, 85 per cent of the school children had positive or incipient simple goitre. In 1922 that number had been reduced to 13 per cent. The prevalence of goitre was caused by a lack of iodine in the soil, and hence in the native foods. By adding iodine to the diet the cause of the disease was corrected and most cases cured.

Kelp-O-Dine is a preventive of simple goitre, and a generally successful cure. It is a natural product, saline iodine in nature's form. It corrects the iodine deficiency in your diet. At good drug-gists, one dollar a bottle.

TAXABLE VALUES UP HALF MILLION

Assessments This Year, on Which
Taxes Will be Paid Next Year,
Increase \$656,785

MOST ON PERSONAL PROPERTY

Real Estate, However, Including
Lands, Lots and Improvements,
Pays Almost Four-Fifths

Total net value of taxables in
Rush county for this year, on which
taxes will be paid next year, is \$54-
253,405, as compared with \$53,602-
620 last year, an increase of \$656-
785.

This fact is shown in the abstract
of taxables which has just been com-
pleted by Phil Wilk, county auditor,
and his clerk. Real estate and im-
provements assessed for taxation
remained practically stationary, the
total net value for taxation purposes
this year amounting to \$40,043,490.
Last year real estate and improve-
ments were valued at \$40,040,550,
which makes a difference of \$2,940,
representing the gain this year.

The bulk of the increase was on
personal and corporation property.
These two items were given a net
value of \$10,637,220 this year as
compared with \$9,997,020 last year.
This discloses a gain in tax values
of \$640,200.

Assessments of railroads and elec-
tric lines were raised from \$3,320-
435 to \$3,322,000 and the taxables
value of telegraph and telephone
property in the county was increased
from \$236,745 to \$248,860.

The abstract reveals that real es-
tate, including farm lands and town
lots, together with the improvements
on each, bears almost four-fifths of
the tax burden.

Lands this year are valued at \$30-
100,079 and improvements are as-
sessed at \$5,455,610, making the to-
tal value \$35,556,580. Last year
lands were assessed at \$30,120,220
and improvements at \$5,378,600, the
combined value being \$35,498,820.

This year lots are assessed at \$1-
514,020 and improvements at \$3,814-
305, the total valuation for this
class of real estate being \$5,328-
325. Last year lots were valued at
\$1,509,035 and improvements at \$3-
791,905, giving them a combined tax-
able value of \$5,300,940.

Total tax values deducted from
assessments this year, due to mort-
gage exemptions, were \$841,415 and
last year mortgage exemptions re-
sulted in deductions of \$759,210.

Polls in the county this year num-
bered 2997 and last year they were
3101, a loss of 104.

A comparison of net taxables in
each taxing unit of the county for
this year and last is as follows, and
it should be born in mind that taxes
will be paid next year on this year's
valuations and were paid this year

NO ARRESTS MADE AFTER ACCIDENT

Mr. and Mrs. James Ryder of New
York Sell Damaged Car For \$100
And Depart On Train

LIQUOR WAS ALL SPILLED

No arrest were made Thursday
afternoon by Sheriff Yost of New-
castle, who investigated the accident
on the National road, in Dunreith,
when a Buick automobile in which
three persons were riding struck
the Rushville train on the Nickel
Plate railroad.

It was reported by the train crew
that the man and woman, who gave
their names as Mr. and Mrs. James
Ryder of New York, had been drinking
liquor, and that a quantity was
found in the car.

The machine was so badly wrecked
that the liquor was all spilled, ac-
cording to a report from Dunreith,
and no evidence could be secured.
Mrs. Ryder and her two-year-old
daughter were badly cut and bruised,
but their injuries were not serious.

Sheriff Yost reported upon his re-
turn to Newcastle, that the parties
sold their machine for junk, and re-
ceived \$10 for it, and they com-
pleted their journey on the train.

MERCURY HITS A NEW

Drop To Fourteen Degrees During
Night—Warmer Saturday

The mercury last night set a new
low level for this winter, when the
lowest reached during the night was
14 degrees above zero, according to
Elwood Kirkwood, in charge of the
government thermometer at Maury.

The previous low record for this
winter was 18 degrees a cold spell
few weeks ago during a cold spell
that lasted a few days.

Weather indications for tonight are
that it will continue cold, but prob-
ably not as low as last night and on
Saturday rising temperature is pre-
dicted. The lowest recorded in In-
dianapolis during the night was 22
degrees, and at Cincinnati 18.

With the coming of cold weather,
that heralded the approach of Christ-
mas, the Salvation Army kettle made
its first appearance on the streets
Thursday afternoon.

Lieut. Schoolman of the Rushville
corps of the Army braved the cold
wind and low temperature through-
out the afternoon and scores of peo-
ple were reminded by the sign on the
kettle, and the plaintive peal of the
bell the Salvation Army lassie rang
almost continuously, that the season
of good cheer is upon us and that it
is time to divide with unfortunates.

The kettle will be on the job daily
from now until Christmas and those
who do not wish to take the time to
send their contributions to the Daily
Republican may drop them in the kettle.

Santa Claus was all smiles today
because of the substantial contribu-
tions that are coming in, the one
from the Rushville Furniture com-
pany being the largest made thus far,
with the exception of the check
for \$100.00 received from the Elks
lodge Thursday.

Preparations for the spreading of
Christmas cheer are going forward
rapidly and everything will be in
readiness when the big day comes.

GRANTS REMISSION OF FINE

McCray Approves Recommendations
Regarding Elmer Hendricks

Governor McCray approved the re-
commendation of the State Board
of Pardons in granting Elmer Hen-
dricks of this city a remission on
his fine of \$120, which means short-
ening his sentence at the state farm
120 days, bringing about his liberty
in a few days, after his confinement
at the state farm for more than a year.

Hendricks was convicted here in
November, 1923 on a liquor law
charge, and was fined \$300 and given
a 180-day sentence.

The pardons board denied clem-
ency to three other prisoners, Wayne
Chandler, Mier Dunn and Raymond
Foreman, all three of whom were
sentenced from 2 to 14 years on a
conspiracy charge, in connection
with the issuing of a fraudulent
check.

DEFENSE OFFERS FIRST EVIDENCE

Plaintiff in Case of W. O. And Kath-
erine Morgan Against City Rests
in Circuit Court

\$4,350 JUDGMENT IS SOUGHT

Defense Attempts to Show Failure
to Cap Gas Well Did Not Damage
Plaintiff's Well

The damage suit of William O. and
Katherine Morgan against the City
of Rushville, was still under way to-
day in the circuit court and it was
not expected to be completed today,
and will not reach the jury until prob-
ably Saturday morning.

The suit is a demand for \$4,350
judgment against the city, for the
alleged negligence in failing to cap
an abandoned gas well, which the
plaintiff maintains caused his gas
well to become useless, on account of
water reaching the gas vein and
drowning out the gas supply.

Several witnesses were being used
by each side in the case and the
plaintiff finished with their portion
of the evidence shortly before noon.
The defense this afternoon was at-
tempting to show to the jury that the
failure to cap the well would not
cause the well owned by the plaintiff
to become useless.

Expert witnesses for each side
were introduced to credit and dis-
credit the various theories.

A similar suit is pending in which
Patrick Carroll is plaintiff, and in
which he alleges that his gas well
was ruined by the same act of the
city's alleged negligence.

In the new cases filed today in the
circuit court is an appeal case from
Justice Stech's court in which Syl-
vester Kirkpatrick is plaintiff and Is-
aac Campbell, defendant, the demand
for damages being \$30, and which
was heard in the lower court recent-
ly, and decided in favor of the defend-
ant.

Several minor court cases set for
Saturday, may be delayed if the
damage suit today overlaps until
tomorrow.

FIVE OF EIGHTEEN PRISONERS ESCAPE

Were Being Transferred From
Northern Texas Points to Federal
Penitentiary At Leavenworth

WERE LEFT WITH ONE GUARD

(By United Press)
Kansas City, Mo., Dec. 14—Five
out of eighteen federal prisoners be-
ing transferred to Leavenworth peni-
tentiary from northern Texas points,
escaped at Caldwell, Kan., last night,
it was learned on arrival of train
No. 32, on the Rock Island here to-
day.

Among the eighteen were several
men convicted in the oil conspiracy
cases in Fort Worth, Texas, but none
of the men involved in the oil deals
obtained their freedom.

The train was stopped at Caldwell
by a burned bridge.

Federal marshals accompanying
the party of prisoners believed the
bridge had been burned by accom-
plishes of the men who escaped and
that the dash for liberty had been
planned.

When the train stopped, three of
the four marshals guarding the men
in the convict car went out for
lunch, leaving one man to guard
the convicts.

When the three guards left the
car, the five prisoners dived out a
window of the train.

for the Indiana High School Athletic
Association. The successful candi-
date was L. O. Bayard county school
superintendent of Delaware county.

members were elected from other dis-
tricts, and the remaining two mem-
bers are holdovers. The five members

Value of Disease Prevention Work to

Over \$100 was added to the
Christmas Seals and Health Bond
campaign fund in today's report, al-
most half of the sum coming from
two fraternal orders, the Elks lodge
and the blue lodge of Masons. Each
bought a \$25.00 Health Bond.

There were a number of \$5.00
Health Bonds and one \$10.00 Bond
included in today's report, which in-
dicates that supporters of the move-
ment are coming to realize that the
season is growing short and that
they will have to come to the rescue
to bring the receipts this year up to
the standard set in previous years
here.

When it is remembered that one
person in the United States dies
every five minutes because of tuber-
culosis, the value of the work to er-
adicate this disease is appreciated.
The fact that it is a preventable dis-
ease makes the responsibility all the
greater, it is pointed out by the sup-
porters of the movement.

Funds realized from the sale of
Seals and Bonds are not used alone
in curing tuberculosis patients, but
in general disease-prevention and
health-building work, on the theory
that when people are physically fit,
they will not fall victim to this dis-
ease.

SEVERAL CASES HAVE DEVELOPED

More Children Reported Afflicted
With Measles, Making Care More
Necessary

NATURE OF THE EPIDEMIC

Will Not Interfere With Christmas
Shopping, Board Points Out—
State Quarantine Law

Several new cases of measles de-
veloped in Rushville over night, ac-
cording to Dr. J. M. Lee, city health
officer, who with other members of
the city board of health, are making
a rigid effort to prevent a serious ep-
idemic.

The board of health is being sup-
ported in their work by all persons
who are anxious to protect the lives
of children, in preventing the spread
of the disease to those who have
never had it, and on the other hand
there are some people who are criti-
cizing the board, pointing out that an
epidemic at this time would injure
business.

A measles epidemic is unlike most
epidemics, it was pointed out today,
in that it is more of a disease for
children, and inasmuch as Christ-
mas shopping is not done by child-
ren, but by parents, there is no need
of alarm that the Yuletide shopping
will be hampered.

Close observance of quarantine
rules is the only way that the disease
can be curbed, according to the
health officers, and it is a foolish
idea for persons to take a chance
with their children on the old theory
that "every child must have the
measles at some time or other". A
child may have it in a mild form,
while the next child may have it
seriously, and fatal complications
arise, Dr. Lee has pointed out.

Dr. Lee, in calling attention to the
quarantine law regarding measles in
Indiana, today submitted the follow-
ing which should be followed:

"Measles:—For the patient, isola-
tion and quarantine for not less than
14 days and until peeling or des-
quamation has ceased. Patient shall
not be permitted to attend school
for 5 days after quarantine has been
removed. For other members of the
family, quarantine is not required,
but children in the family must not
attend school or mingle with other
children unless satisfactory proof of
their having had the disease is fur-
nished the proper authorities."

Continuing in his comment, Dr.
Lee, said, "It is those who have not
had the disease in the family who are
in danger and a source of danger to
others as the contagion is in the
nose and throat secretions and very
dangerous the 2 or 3 days preced-
ing the appearance of the rash or
eruption."

"In this contagious period, there
is usually a tired feeling, very lit-
tle appetite, some headache and
some fever in young children, usual-
ly vomiting, high fever and possibly
spasms. Babies under one year of
age if breast-fed, generally do not
take the disease because they seem
to derive protection from the moth-
er's milk, due to her having had the
disease and is immune; this probably
does not hold good in mothers who
have never had the disease."

"One must come in contact with
the person that has the disease—in
a room or talking on the street in
order to contract it," Dr. Lee assert-
ed.

HOG BREEDERS IN SESSION

Discuss Plans For Better Balanced
Hog Production in County

court-house assembly room Thurs-
day afternoon to hear the talk on
the swine business by H. I. Engel-
hart of Kentucky, an experienced
hog man.

The purpose of the meeting was
to promote a more profitable, econ-
omical and better balanced hog pro-
duction in the county. No organiza-
tion was to be formed, but the breed-
ers discussed plans for the various
swine breeders organizations in the
county to co-operate in order to
carry out the purpose of the meeting.

Scout Notes

A union meeting for all scout troops in the city is being planned for next week. The meeting will carry the Christmas spirit with it and several special numbers are being arranged. Scout Notes for Tuesday will furnish further details of this meeting. All weekly dues will be collected at this meeting.

A Scout Headquarters for Rushville Boy Scouts has been obtained and as soon as a schedule can be mapped out will be opened to the boys for the public inspection. The room is on Main Street, which is a very desirable location. It is in excellent shape and has been obtained at a very reasonable rent, which of course was a very important factor in securing a room.

The place has a large recreation room for games and other forms of recreation, a quiet room to be used for Scout meetings of all sorts and for reading and an office for the Scout Leaders.

Several scouts are about to allow themselves to become delinquent because of carelessness in paying their dues. Now that we have a meeting place the dues are very important if we expect to keep it and fit it up in a way to interest boys. The dues were set at five cents a week so as not to work a hardship on any boy who wishes to belong to and receive the benefits of the organization. A boy missing five meetings in succession or failing to pay his dues for five successive meetings will be dropped from the records and National Headquarters will be notified of the fact.

No scout meetings of any sort will be held during the Christmas Holiday vacation. The first meeting will be on Wednesday night January 2nd for Troop Number 1, and from then on meetings will follow in regular order.

Now that we have our meeting place lets get ready for that initiation ceremony for that new class of boys who have joined the organization this year.

The following boys passed the Examination for Tenderfoot Scout Ranking with a grade of 100 percent at the Wednesday night meeting: Robert Stewart, Richard Haydon, Burke Dugle, Robert Pitman, Kenneth Davis, Ralph Dugle, Ervin Walters, James Foley and Wilbur Easley. Several other boys passed parts of it but had to quit because of lack of time. They will be given a chance to finish next week.

precious heritage in after years.

THAT WHICH SATISFIES:
Wherefore do ye spend money for

hearken diligently unto Me, and eat
ye that which is good, and let your

Epidemics
The antiquated idea that children have to have every contagious disease that was ever conceived by the mind of man has long since given away to the sensible view that if children contract diseases common to boys and girls, it is unfortunate and something that might have been avoided.

One Rushville mother is known to have sent her child to play with another child who had the whooping cough, last summer, so that her child could have the disease under favorable conditions and be rid of any danger of contracting it. The child "caught" it and suffered intensely. She had not entirely recovered from the ill effects of the ailment until the measles became prevalent among the children of the city and she contracted this disease. Now the child is very seriously sick.

The sooner parents learn that children's diseases are not essential to the proper rearing of a child, just that much sooner will children

have a better chance to grow to strong healthful manhood and womanhood.

Even now, there are men and women of mature years who have never had many of the so-called "children's diseases." They have kept physically fit and have never run unnecessary risks, but have attempted to avoid contagious diseases.

The majority of parents nowadays are not like the mother cited above. They realize the complications that may arise following some of the less dangerous diseases and attempt to keep their children away from contagion. For this reason, they will undoubtedly follow the recommendations of the city board of health and not permit their children, especially those who have not had the measles, to attend public gatherings or congregate in the stores where large numbers of people gather for Christmas shopping.

Certainly there is nothing alarming about the present measles epidemic, but to safeguard the health of everyone, the board of health is asking the people of the community to do certain things. Most important of all is to obey the quarantine laws. Violating them places a serious responsibility upon the shoulders of violators, because they might be the cause for the loss of lives. Reduced to its simplest terms, nothing else can be made of it. The person who willfully violates the quarantine laws and causes others to fall ill, and possibly die, is an enemy of society. Quarantines are imposed for the common good—to protect the public from unthinking people—and it is the duty of all good citizens to support the proper authorities in their efforts to enforce the law in this respect.

Overstepping Himself
Many republicans are of the opinion that State Chairman Wall is taking too much upon himself in attempting to cause Governor McCray to resign. As regrettable as his plight may be, he alone is responsible for the situation that has developed, and no one else can be justly blamed for what the governor has done. The question of his guilt is for the courts to decide according to the law and the evidence.

The state chairman surely goes beyond the bounds of his position in attempting to draw the Indiana congressional delegation into the controversy. It is purely a state matter, and in any event it is not one where they are required to pass official judgment. Their personal opinion is their own affair and whatever they think about Governor McCray does not affect their duties as congressmen in the least.

FIFTEEN YEARS AGO TODAY

From The Daily Republican
Tuesday, Dec. 15, 1908

Robert Kennedy left today for High Point, North Carolina, and if Dame Rumor is not barking up the wrong tree, he will return with a bride from the sunny south. Mr. Kennedy accompanied Mr. and Mrs. Henry Newby, who have been here for some time visiting friends, and it is understood that the one Mr. Kennedy will claim for his bride is a daughter of the Newbys, Miss Emma, whom Mr. Kennedy has been showing every attention during her visit here. Miss Newby is a school teacher and a very talented lady, possessing a pleasing personality. Mr. Kennedy recently purchased the W. O. Headlee home in West Tenth street and has it furnished complete for his intended bride.

The regular semi-monthly meeting of the Ladies Musicales was held in the assembly room of the court house Monday afternoon. Miss Hazel Lytle was leader and a very interesting and entertaining program was rendered.

Miss Mabel Bonnell and Mr. Nathaniel Waring Barnes were quietly married today at high noon at the home of Mr. and Mrs. George Osborne in North Perkins street. Only a few of their immediate relatives were present. The bride and groom left this afternoon for Chicago for a short honeymoon, after which they will be at home in Greencastle.

Miss Margaret Carroll of West First street returned last night from a visit with Kokomo and Indianapolis friends.

Miss Mamie Kemp visited with friends in Indianapolis today and will see the "Honeymoon Trail" at English's tonight.

Mrs. Emory Sutton and three sons of Omaha, Neb., came today for a visit with Mrs. Carolina Laughlin.

The Rev. W. W. Sniff of Paris, Ill., came yesterday for a short visit with Mr. and Mrs. Jasper Case in North Main street.

RUSH COUNTY FIVE
FALLS BEFORE LAUREL

HITTIN' 'EM AND MISSIN' 'EM

Two games on the local card tonight. Each game will be with Greenfield, and if they put up the game to-night like they did when Rushville played there two years ago, it will be a thriller.

Tonight is the night that we want to hear from every game in the county. Telephone the scores and summary as soon as the game is over to phone 2001.

BLUE BIRDS AND THE NIGHTINGALES

Carthage expects a hot battle at Knightstown tonight, and it would sure make things look interesting in these parts if the Blue Birds would emerge victors over the K-town aggregation.

If the Royaltymen of Milroy upset the Sir Walters tonight at Raleigh, it would also put bristles in the rest of the county animals.

Moscow may have to play Manilla in the dark at Manilla, but judging from reports we hear, the Cows can play just as well without lights, as with 'em.

Another interesting game for somebody will be the Center-New Salem scrap at Salem tonight. Center is another one of the county teams that needs a place to play indoors, and the way the weather has been for the last two weeks, we imagine that they will need a lot of practice.

Greensburg plays over at Brookville tonight. Each team expects a victory, but didn't ever stop to think that is true in almost every game?

WATCH C-VILLE TONIGHT

critics are pickin' Anderson, but gosh that's nothin', we picked Anderson all last year.

After the Connersville game, Anderson will try their luck Saturday night with Marion, which will give us another chance to figure out the dope, as we beat Newcastle, and then Newcastle beat Marion.

Shelby has easy pickin' tonight. Lebanon will be their victim.

Hoosier at Richmond tells us that the girls haven't made a public appearance yet in their new trunk uniforms, but we will gamble that all of the knot holes are worked overtime.

The Press Box of Kokomo laments the following: "Basketball has been played in Kokomo for twenty years. Only one local team in that time has gone to state." When was that—the first year?

BUT LOOK OUT!
The way the Wildcats are performing this year, we wouldn't be afraid to venture that you can look for 'em in March, or at least up at Lafayette at the regionals. Their showing with Muncie, Elwood and Frankfort looked good.

Our records show that Rushville has played basketball for 15 years, or if they played it before that time, the newspapers didn't recognize it as a human sport. We might add further that our record is along with Kokomo—just one peep on the big Coliseum floor.

It's up to the Lions to improve that record. What do you say gang.

WARNING TO KOKOMO
Kokomo adds further that this is their year also. Watch all of the little dark horses in your own county. Kokomo, as we have got poofed off several times ourselves, after we had tickets all bought for the big show at Indianapolis.

Hittin' 'em and Missin' 'em—
I am a very interested reader of your columns published in the Republican each day, for I realized the gladness and sadness in not Hittin' 'em and Missin' 'em.

I have almost forgotten how the ball should go thru—whether from above or underneath, but judging from some of the scores that have been made there, either way must be permissible.

A few things I would like to know—why has the lady from Shelbyville overlooked the three games played between Rushville and Shelbyville in 1917? If she can not find the records Paul Newhouse of the Rush County National bank can supply the desired information.

Who is the R. H. S. Dumbell? Is it possible for the Bucking Bronco's of Woodland Park to have a stall in the county stable?

Yours truly,
An Ancient Player

Sure, old timer, we can give you steam heated, heavily strawed and padded stall anytime you want one. All of the fans know how hard Ralph Martin played when he held down the center position on that Bronco team with Babe Newhouse. Drop in about tourney time Ralph, and look the Lions over. In the meantime, hold your thumbs up for the locals, and drop us a line again.

If a fellow writes clear from Colorado, it ought to make some of you close-at-home scribes ashamed. Send in your contris.

PODUNK HAS MOVED

It takes the Press Box of Kokomo to locate Podunk, and he sorta moves it away from Vincennes. He says this. All these southern teams are talking about playing Podunk and wondering where it is. We think Podunk is about four miles from Gilead, the school Peru played last week.

GINGS SWAMPED BY THE LAUREL QUINTET

Rush County Team Falls to The Tune of 76 to 7 Before Franklin County Lads

ADDING MACHINE NEEDED

The Laurel high school quintet swamped Gings high Wednesday night at the Laurel gym by the overwhelming score of 76 to 7. It was a slow game and only the use of an adding machine could have made it more one sided.

The visitors were outclassed in every department of the game and it was evident from the start what the result would be.

Friday night Laurel will play Everson and a red hot game is in store. Laurel point-getters, Oglesby and Fetty are in fine form and from present dope expect to win.

Summary:
Gings Station 7
Oglesby ----- F ----- Eckert
Shera ----- F ----- Custer
Fetty ----- C ----- Courtner
Best ----- G ----- Felts
Ward ----- G ----- Meyers

Substitutions—Raham for Ward; Kelley for Best. Fleetford for Shera. Gordin for Meyers. McCulloch for Felts.

Field goals—Oglesby, 14; Fetty 16; Shera 4; Best 2; Custer 3.

Foul Goals—Courtner, 1 out of 3; Fetty 2 out of 5.

Referee—Schultze.

R. H. S. GIRLS TO FACE BUSY BASKET SEASON

Lioness' Team To Meet Milroy in
Next Game, Played Here On December 21

SCHEDULE IS ANNOUNCED

The Lioness' basketball team of the Rushville high school, which has played in three or four games this season, has arranged a schedule of games with other girl teams of the various high schools, and the first game in the near future will be played with the Milroy girls.

The local girls have displayed good talent this year, and have played on even terms with most of the teams. Several hard games are in store for them, and the complete schedule is as follows:

Dec. 21—Milroy here.
Jan. 5—New Salem here.
Jan. 11—At Arlington.
Jan. 25—At Webb (Rushville)
Feb. 2—Webb here.
Feb. 9—At Carthage
March 2—Carthage here.

TOURNEY UP AT FALMOUTH

Independent Teams Will Compete
For District Honors in February

The district independent basketball tourney will be held February 15 and 16 at Falmouth, according to an announcement made today, and three counties will be assigned to this section, with teams from Rush, Henry and Fayette counties playing.

All independent basketball teams from these counties who want to enter the tourney are asked to call or write Gifford Cook of Falmouth, under whose supervision the tourney will provide the necessary entry blanks.

The Fairview Athletic club will play the Westland independent team Saturday night at Falmouth.

done. He stayed up a whole night, figuring this out:

If "Shootin' 'Em and Stoppin' 'Em" were "Watching the Fouls" "From the Press Box", we wonder if "Hoosier Courtship" would make "Casual Comment" to "Hot dog" should he be "Standing By", when "Hittin' 'Em and Missin' 'Em" made several "Short Passes" to "Hardwood Hammer", causing the "Referee" to signal that it was all right to be "Markin' UP a Few on the Scoreboard". RUSHVILLE ROMEO'S WIN

Local Independent Team Victor in
Curtain Raiser Over Arlington Juniors, 25 to 18

The Arlington A. C. basketball team did not have much difficulty in defeating the Westland Independents last night at Arlington by the score of 49 to 25, and in the curtain raiser the Rushville Romeos won from the Arlington Juniors, 25 to 18, in a game that was interesting from start to finish.

Arlington was leading Westland 22 to 11 at the end of the first half. Gardner and Headlee looked best for Arlington with 8 goals each. Johnnie Moore was best for Westland with 7 baskets. The regular line-up of Arlington, was Shook, Gardner, Headlee, Miller, Wicker and Haley.

In the curtain raiser the Rushville Romeos made it their third straight victory, defeating the Arlington Juniors 25 to 18. The Arlington team got a lead early, but the Rushville players soon overcame it, and were in the lead 12 to 9 at the end of the first half.

In the second half the Romeos completely outclassed them and ran the score up to 25 before they were able to get started, and with 5 minutes left to play Arlington called time and came back into the game like a new team and caged 4 long shots and a foul, but their rally fell short. The Romeos will play the Brightwood team of Indianapolis here Monday night.

The line-up and summary of the curtain raiser last night was as follows:

Romeos 25 Juniors 18
Culp ----- F ----- Cassidy
Dagler ----- F ----- Hiatt
Herkless ----- C ----- Nelson
Woods ----- G ----- Mitchell
Downey ----- G ----- Northam

Field goals, Culp 2, Herkless 3, Dagler 5, Cassidy, Mitchell 1, Hyatt 3, Nelson 4. Foul goals, Dagler, Culp, Herkless 3, Nelson, Mitchell; substitutions, Smith for Woods, Woods for Downey, Wilson for Cassidy, Marshall for Northam.

Boy Star at Princess
Wesley Barry, the young screen star, is a natural born actor. This fact is admitted by all who have seen the freckled lad play.

Wes is a natural actor in the same sense that the outstanding figures of the stage, Jefferson, Coquelin, Salvini, Duse, Sarah Bernhardt and Sir Henry Irving were natural. That is, he has the true instinct for the inevitable gesture, the spontaneity that with some is the result of a carefully acquired technique, with others, a happy gift of genius.

This is to be seen in "Rags to Riches," his latest featuring vehicle sponsored by Warner Brothers, which is announced for a run of two days beginning today at the Princess theatre. Here he has many an opportunity for the display of his roguish, mischievous personality and is at his best in providing thrill upon thrill, from helping to round up a dangerous gang of crooks to dropping from a trestle into a deep river to escape a train. Wallace Worsley directed this Harry Rapt production, which was adapted from Charles A. Haylor's famous play of the same name.

Gladys Walton at Mystic

"Gossip" is the thing that can destroy any state of happiness, no matter how secure it may seem. Harmony will turn into discord at the breath of "Gossip" and contentment will develop the flavor of sour acid.

"Gossip" is the vice that is exploited in satirical fashion in the picture of that title which comes to the Mystic theatre today as a Universal attraction. Gladys Walton is the star of "Gossip" and it is said to present her with a more extreme characterization to play than in any of her preceding successes. She has been associated with flapperizations as the heroine of delightful romances of youth most of the time. This role is that of a girl of the old South, charmingly unaware of the advance of the times and quite out of place in the jazzy whirl of modern social and business life.

Ruth Most Valuable Player

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Dec., 14—Babe Ruth received every vote cast by the official jury of sport writers at the end of the 1923 season as the most valuable baseball player in the American League.

Ruth, no doubt, would have received just as many votes if he had been put up as a candidate for the honor of all baseball's greatest and most valuable player.

Official batting averages of the American League remove all doubt that might have been entertained as to the Babe's right to the title. He certainly was the most valuable batter in the league.

With an average of .393 he finished second, only ten points behind Harry Heilmann, the Detroit star, who played in eight games less than the Babe.

Ruth played in every game with the Yankees and he played baseball with everything he had in every game.

He finished in a tie for the home-run honors with 41, and it must be remembered that he seldom got a good ball to cut at.

He scored more runs than any player in the league and more than half of his 205 hits were for extra bases.

His work on the bases was fine and his fielding splendid.

Compared to what he did in 1922, Ruth's record last season made his efforts of the previous year look like a "bustlers." It was not that he couldn't play baseball in 1922, but it was more that he didn't have his mind on baseball.

Last winter Ruth said he had

learned that it required more than a couple of hours on the ball field to make a player, and that he was going to make baseball his entire business.

He out out all his foolishness, trained hard all last winter, went to Hot Springs ahead of the team and worked as hard in the training camp as any rookie. He was more than rewarded for his sacrifices.

The Babe is of such a carefree disposition that it was feared he might be tempted to get happy over his 1923 record and enjoy himself this winter, but so far he has shown no tendencies to cut loose again.

He is back on his farm in New England, and has gone into the poultry business on a large scale.

He shook off his overalls and went to Cambridge for the Yale-Harvard game, where his "side-line" as a journalist made it possible for him to get a choice wet seat in the press-box.

"I'm going to New York around Christmas time to do a little shopping with the wife, but we are going back to the farm to throw a big Christmas for the baby. I'll stay on the farm until the middle of February and then I'll pull out for Hot Springs," Ruth said.

The Babe looked well. His eyes were clear and, although he was a little heavy, he was obviously in shape.

Ruth still has hope that he will be able to add the batting championship of the league to his record and he is going out for it next year.

"Harry Heilmann is a great batter and a fine fellow, but I think that I can take that championship away from him next year," the Babe said.

Ruth and Heilmann are very close personal friends.

The Babe, incidentally, thinks that

Fairview M. S. Plays Tonight;
Independents Saturday Night

The Fairview high school and the Alquina high school teams will battle for honors of Fayette county tonight on the Fairview floor, and a hotly contested game is anticipated as the two teams appear evenly matched on their former victories.

The Fairview A. C. basketball team will take on the Westland independents Saturday night at Fairview.

The Yankees ought to be good for at least three more pennants and as many world's championships. He said the thing that pleased him most in the last world's series was the refutation of the statements made before the series started that the Yankees didn't have a heart.

Ruth, according to intimate friends, is saving his money. When he was hitting the high spots he went through a quarter of a million dollars and it took some of his 1923 pay to get out of debt.

Figuring that he has at least four years to go and that with attention to his business his value should not decrease, the Babe has it doped out that he can put enough money away to make his future safe and to remove from him the threat of the bush leagues and hush league pay after his time has passed in fast company.

Ruth is a great admirer of Jack Dempsey, and he has taken a lesson from the heavyweight champion, that a big fellow in sport does not have to be a sucker with his money to be popular.

POSTPONED TILL SATURDAY

The basketball game between Manilla and Moscow, which was scheduled for tonight at Manilla, has been postponed until tomorrow night, and will be played at the floor in Blue Ridge, instead of Manilla. The heavy rains of this week caused water to fill up the basement at the Manilla school where they play basketball, and this morning there was a foot of water in the gym, which made the change necessary for tomorrow night.

Fostering Thrift

—and assisting men and women
to spend their money wisely

Fostering, as we do, the growth and betterment of all savings and loan associations, both in the state and country, we desire that the public realize more fully the standing and responsibility of these associations. It is our purpose to do more than maintain interest-paying repositories for savings funds. We have an ideal of service in helping to work out practical plans of "getting ahead." We believe in stimulating the persistence to follow these plans through the steps of wise spending, systematic saving and intelligent investing—which lead to financial independence. Wherever a person may be—in large city or smaller town—he will find members of this league ever ready and willing to further his interests, gladly helping to solve his financial problems, whether they help him to financial independence and into a home of his own.

Rushville, Indiana

Miss Donnan's Class in Literature will meet Saturday afternoon at 2:30 o'clock in the Assembly room of the court house.

The members of the Sons of Veterans Auxiliary are requested to take their jellies for the donation to the Lafayette home, to the home of Mrs. J. C. Gregg immediately, as the box will be packed Saturday.

The Epworth League of St. Paul's M. E. church will meet Sunday evening at 6:15 o'clock with Miss Laurette Abercrombie as the leader. Miss Mary Sleeth will give a talk on "Books For Young People," and all the members of this society are urged to be present, as well as the public is invited.

Mrs. George Artman entertained the members of the Grand Club this afternoon at her home in West First street. The ladies enjoyed the hours around the card tables, playing bridge. At six o'clock this evening the hostess will serve her guests with a six o'clock dinner.

Mrs. Oliver Mark delightfully entertained the members of the Cross Country Club Thursday afternoon at her home northwest of the city. A most enjoyable social afternoon was held and dainty refreshments were served by the hostess at the close of the meeting.

The Royal Neighbors will meet Monday night, December 17, instead of December 24, at the Modern Woodman hall. Each member is asked to bring a few sandwiches and a present. Gifts will be exchanged and refreshments will be served. A good attendance is desired.

The postponed meeting of the Tri Kappa sorority was held Thursday evening at the home of Mrs. Walter E. Smith in North Harrison street. During the business meeting plans were made for the charity ball to be held Christmas night, December 25, in cooperation with the Elks, at the Elks dance hall. Three new pledges were also announced at this

meeting they being the Misses Florence Ball, Phyllis Casady, and Lavenna Compton. During the informal social period dainty refreshments were served.

The Tuesday Study Club at Raleigh delightfully entertained their husbands and friends Thursday evening at the gymnasium in Raleigh. The program consisted of a lecture by Dr. Jenkins, of Butler college, and a group of readings by Miss Lavenna Compton, of this city, who entertained the guests in her usual clever manner. The stage in the gymnasium was prettily decorated for the occasion with ferns and potted plants. At the close of the program a delicious luncheon was served to the guests.

Mr. and Mrs. G. P. Mauzy entertained the members of the F. R. S. club Thursday at their home in this city, with a pitch-in dinner. Those enjoying the day were Mr. and Mrs. P. A. Newhouse, Mr. and Mrs. Ben Norris, Mr. and Mrs. L. C. Norris, Mr. and Mrs. Jake Parish, Mr. and Mrs. Bent Norris, Mrs. Boone Power, Mrs. Fannie Gray and Mrs. Alma Cline. In the afternoon the guests were entertained with a delightful musical program by Miss Charlotte Norris and Miss Emily Mauzy. The home was gaily decorated for the occasion in the Christmas colors of red and green.

Mr. and Mrs. Wilbur Smith entertained Wednesday evening at their home in this city, with a prettily appointed dinner party, honoring the sixth birthday anniversary of their daughter Maxine. A large birthday cake adorned with candles and roses were the decorations for the table. Covers were laid for Mr. and Mrs. Harry Richey and daughter Wanda, Mrs. Mary Smith, Mrs. W. R. Vansickle, Miss Viola Arbuckle, all of Milroy, Mrs. David Morrison, of Spokane, Wash., Miss Mamie Schlottman of North Vernon, Mr. and Mrs. W. O. Feudner, Miss Sue Gregg, the Misses Gladys Hasty, Ruth and Louise Seward and Mr. and Mrs. Clarence Meyers and children Melba and Malcolm, all of this city.

The P. A. L. Club of Fairview held a most enjoyable all-day meeting Friday at the home of Mrs. Fred Martin near Falmouth. At the noon hour a bountiful pitch-in dinner was served and immediately following, the Christmas exchange took place, the gifts being concealed in a large pie. A miscellaneous program was given in the afternoon as follows: Mrs. Jesse Rees, Bible reading; Mrs. Howard Kehl and Miss Estella Shortridge, readings; reviews of standard magazines by Mrs. Beryl Hinckman, Mrs. Ralph Elwell, Mrs. Lowell Vickery and Mrs. Howard Kehl.

The home was prettily decorated for the occasion with Christmas colors. The next meeting will be held with Miss Meriam Fry, January 10.

The members of the Woman's Home Missionary Society of the St. Paul's M. E. church held their regular meeting Thursday afternoon at the home of Mrs. W. D. Root in North Perkins street. Mrs. C. H. Parsons, the president of the organization, presided over the meeting and the program opened with a song, followed by devotional period in charge of Mrs. Bodine. Mrs. E. B. Poundstone had charge of the lesson which was given in the form of a playlet by several of the ladies of the society, and in connection with this feature, Miss Dorothy Sparks gave an interesting talk on her community work. A business meeting was held, during which the matters pertaining to the society were discussed. Light refreshments were served by the hostess at the close of the meeting to the twenty-two guests present.

The Parent-Teacher's association of New Salem met Wednesday evening in the high school building. The program opened with music by the school followed by talks by Mrs. McNamara, teacher of the seventh and eighth grade, her subject being "School Attendance," Mrs. Bert Heaton and Grant Cooper, the principal of the school. County Supt. Farthing was scheduled to talk but was unable to be present on account of sickness. Miss Dorothy Sparks,

the county probation officer, was also unable to be present. During the business session a new president was elected to fill the vacancy caused by Paul Daubenspeck, the former president, moving to this city. Walter Norris was chosen to succeed Mr. Daubenspeck. The next meeting will be held the second Tuesday night of January and at this time it will be a combined meeting with the farmers, in hopes of forming a cooperative system between these two organizations.

The Music Club held the December meeting Thursday afternoon at the home of Miss Jean McClanahan in North Morgan street. The program consisted of Polish and Scandinavian music and was given by Mrs. C. E. Walden and Miss Helen Jaehne, sopranos, and Miss McClanahan, pianist. The program was as follows:

Three number by Mrs. C. E. Walden accompanied by Miss Brenda Kinsinger, "Sylvain," by Christian Sinding; "I Heard the Gull," by Sinding; "The Mother Sings," by Sinding.

A group of piano numbers, the composer being Chopin, by Miss McClanahan, "Etude, F. Minor," "Etude, A. Flat," "Etude, G. Flat," Miss Helen Jaehne, accompanied by Miss Dorothy Sparks at the piano, rendered three selections, "North Flee," "Crimson Petal," by Roger Quilter; "To Davies," by Quilter and "Vale," by the same composer.

Solo groups by Mrs. C. E. Walden, the composer being Grieg: "The First Primrose," "The Princess," "I Love Thee," "In The Boat," and "A Swan."

"A Love Song," by Langgaard; and "Schergo, B. Minor," by Chopin, were piano number by Miss McClanahan.

"Good Morning Brother Sunshine," by Liza Lehman; "There Are Fairies At the Bottom of Our Garden," and "Life Is A Song," also by Lehman, Miss Jaehne.

The program closed with two selections by Miss McClanahan, "The Birdling," and "The Maiden's Wish," by Chopin.

During the informal social hour at the close of the delightful program, the hostess served her guests with delicious refreshments.

L. C. SHARP IMPROVES
Luther C. Sharp, city councilman and meat shop owner, who was shot last Saturday night, was reported today to be showing good signs of improvement, and he was able to take nourishment today. No attempt has been made to remove the bullet, and as long as no ill effects are seen from it, the physicians will not cut it out until he regains his strength.

Every Minute Counts in the fight against constipation!

Once let constipation get a grip on you, and your system is wide open to 90% of human ailments. Statistics show that to be the proportion of illness that has constipation for a starting point. Pills and cathartics are as dangerous to the system as constipation!

Your physician will recommend Kellogg's Bran, because it is nature's own relief from constipation. It is scientifically prepared to relieve suffering humanity from constipation and it will do what no other food can do! It will give every sufferer permanent relief if it is eaten regularly—at least two tablespoonfuls daily; as much with each meal in chronic cases!

Kellogg's Bran is wonderful in its natural, positive action. It sweeps and cleanses and purifies the bowel

tract; it scours out the dangerous toxic poisons; it puts you back on schedule time without irritation or discomfort!

Don't delay eating Kellogg's Bran each day in some form! Try it as a cereal, sprinkled over your favorite hot or cold cereal or cook it with hot cereals. In the latter case, add two tablespoonfuls for each person and mix with the regular cereal and cook as usual.

Kellogg's Bran is simply delicious made into muffins, popovers, raisin bread, macaroons, pancakes, etc. Recipes are on every package! For health's sake get some Kellogg's Bran immediately. All grocers.

First-class hotels and clubs serve Kellogg's Bran in individual packages. Ask for it at your restaurant.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be a superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, J. N. Johnson, 609 W. Lake St., Chicago, Ill., is offering to send a lamp on 10 days FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

Kelp-O-Dine

In 1918 in a certain canton in Switzerland 87 per cent of the school children had positive or incipient simple goitre. In 1922 that number had been reduced to 13 per cent. The prevalence of goitre was caused by a lack of iodine in the soil, and hence in the native foods. By adding iodine to the diet the cause of the disease was corrected and most cases cured.

Kelp-O-Dine is a preventive of simple goitre, and a generally successful cure. It is a natural product, saline iodine in nature's form. It corrects the iodine deficiency in your diet. At good drug-gists, one dollar a bottle.
